GET EVEN CLOSER

DOLPHIN ODYSSEY

Explore the ocean's most loved creatures during this deep-water experience. You'll begin your adventure by putting on a wetsuit and meeting one of our trainers for a course on dolphin physiology and behavior. Then, it's time to get in the water and make a new friend. You'll have 30 minutes to share all sorts of behaviors, including kisses, handshakes, rubs, training techniques and feeding your new friend. Hang on! The experience is highlighted by an awesome dorsal pull that'll show you the true power of these amazing creatures.

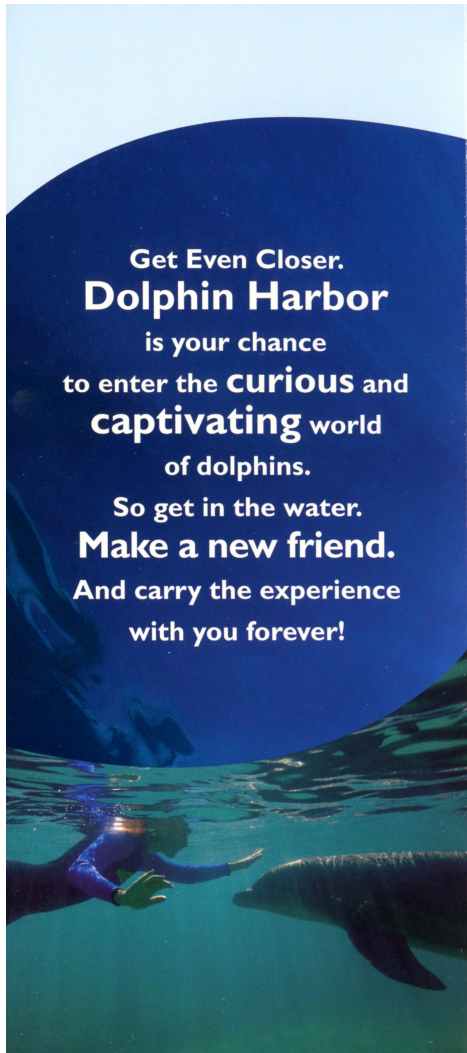

For reservations, call 305-365-2501 today.

DOLPHIN ENCOUNTER

This is our shallow-water experience. It's so easy even kids as young as five years old can do it.* During an Encounter, the dolphin swims to you while you stand in just a few feet of water. You'll have 30 minutes to do things like shake hands, share a friendly kiss and even try out some of our training signals. However, there is no swimming involved (except by our dolphins and they're pretty good), so you enjoy a relaxing and comfortable experience.
