Great Fun For The Whole Family

Cocoa Beach Parasail is the premiere parasail concession on Florida's East coast, bringing over a decade of flight experience to the Space Coast region.

Our mission is simple... to give our guests the most scenic flight of their life. Parasailors are given a "birds-eye-view" of the beautiful coastal jewel without losing a feather. That's 800 feet in the air, which many times can include a glimpse of marine life like whales, dolphins, and turtles.

So grab your bathing suits and sunscreen and head to destination Cocoa Beach Parasail for the experience of a lifetime. It's safe, fun, and no experience is necessary!
